

Transform your Degree into a **Teaching Career**

POST-BACCALAUREATE TEACHING CERTIFICATIONS

Shippensburg University now offers accelerated pathways to meet Pennsylvania Department of Education (PDE) teaching requirements for students with bachelor's degrees. The program meets the needs of regional school districts with online, graduate-level coursework tailored to move emergency hires quickly to full Level 1 certification.

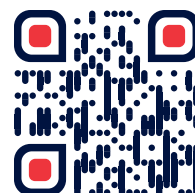

This affordable program covers elementary, middle/secondary, and special education and offers comprehensive support through the testing process. Student learning outcomes are based on the Danielson Model within the PDE 430 Instrument and the PA Educator Effectiveness Scale.

Tuition for education-related programs is a reimbursable flat rate. Direct payment is an available option for employers.
